Dear Mr. Laporte,

Thank you so much for your support of the YWCA Junior Board's Camp Reily clean up project on May 15. I can assure you that the Board members very much appreciate the fact that you played a crucial role in their effort to prepare the property for the camp season.

In the summer, over 160 children from low-income, inner city families attend Camp Reily each week. The camp engages them in a variety of activities and learning opportunities, including arts and crafts, team sports and swimming and water safety.

We are so pleased that the Junior Board has made a project of the camp property. It is a unique and special place that requires a fair amount of upkeep. The paint job you did on the porch was professional and will prolong the integrity of the wrap around porch. For that we are very grateful!

Sincerely,

  
Pamela B. Rhoads  
Vice President of Resource Development

*Thank you!*
